

**Living
in the
'Here and Now'**

**4-Day Annual
Psychodrama Intensive**

14-17 October 2022 from 2.30-7.30pm (AEDT) online

Director: Sue Daniel

In this workshop we are meeting online in a true encounter. The aim is for participants to learn and experience the psychodrama method through connecting and working together. The focus is on the development and refinement of our roles and role relationships in our work and daily life. The practice of being in the 'here and now' allows us to travel lightly, freeing ourselves from old and restrictive systems and creating new ones.

The workshop is open to practitioners, trainees, group leaders and trainers across a range of disciplines, including the health and education fields, industry, community and the Arts. We will be working in large and small groups over the four days.

Dates: Friday – Monday, 14-17 October 2022.

Fees: (AUD) (4-Days): Trainees \$440.00, MPS members \$550.00, and others \$880.00.

(Enquiries re fees are welcome from people from countries other than Australia)
