FROM 10.00AM-5.30PM.

DIRECTOR: SUE DANIEL

This 2-day workshop, held at The Living Centre in East Melbourne is designed for those making changes in their lives or who simply just want to be able to live in 'the moment', to be in the 'here and now' rather than dwelling on past or future events. Participants can expect to have new experiences, gain new perspectives and learn about sociometry and its application in one-to-one situations and groups. This workshop will suit a range of practitioners interested in the discipline of psychodrama.

Fee: \$395.00 (MPS members \$350.00)
