**'Precious  
Relationships'**

**Director: Sue Daniel**

East Melbourne  
11-14 October 2024

As humans we are born into a group. Without our groups we would not survive. We learn about the world and each other through our connections and interactions with others. These relationships change over time, people come and go. Participants can expect to explore their significant relationships, find ways of enhancing their connections with each other, or identify any obstacles that prevent them from achieving the kind of relationships they want in their work and life. The workshop is open to practitioners, trainees, group leaders and trainers across a range of disciplines, including the health and education fields.

**Fees:** \$675.00 (Deposit \$50.00)  
MPS members \$575.00.

PIM & PiI Trainees \$475.00.
