Friday to Monday, 10-13 October 2025 from 10am-5.30pm each day

Hurstwood Clinic, 16A Toorak Rd, South Yarra.

## Director: Sue Daniel

**About the workshop:** What does it mean to role reverse, to be in the shoes of the other? In this experiential workshop, participants will have the opportunity to experience this, and the life-giving effect of having mutual role relationships. In this workshop you may fine-tune your psychodramatic skills, techniques and practice through directing small vignettes, taking the role of protagonist, or being an auxiliary in a drama. It is open to practitioners, trainees, group leaders and trainers across a range of disciplines, including the health, business and education fields. We welcome individual and group psychotherapists, counsellors, youth workers, first responders, parents, those new to psychodrama and all those desiring vital relationships in their work and life.

**About the Director:** Sue has over 45 years experience in conducting psychodrama workshops throughout the world. Her work which expands on Morenian role theory is applicable in any workplace and in everyday life.
